Set on 552sqm in picturesque surrounds, a beautifully appointed contemporary residence awaits, with its flexible floorplan and premium features. With floorboards throughout the living spaces, the ground floor open plan design flows from a private lounge with built in gas fireplace through to the expansive dining and living at the rear of the home that is serviced by a full bathroom and ample laundry. The entertainer's kitchen with island bench & butler's pantry is fitted with Miele appliances including coffee machine, convection oven, microwave, integrated separate full door fridge & freezer & dishwasher. This magnificent property is showered with plenty of natural light through the floor to ceiling windows and doors and features two alfresco decked outdoor spaces bordered by lush low maintenance gardens. The first floor comprises the separately zoned master bedroom highlighted by picturesque views from a private balcony, a large walk-through robe and expansive ensuite. A further living zone leads to the full-sized central bathroom (with bathtub) that services two of the bedrooms (BIR's) while the final bedroom has its own ensuite. This magnificent home is near Kew Junction and Yarra Bend Park as well as sought-after schools including Xavier College, Carey Baptist Grammar, Trinity Grammar, Methodist Ladies' College and transport options. It is only moments from the Eastern Freeway and a short drive to the Melbourne CBD. Contact Simon for your own private viewing.
