If you are looking to get out of the rental market and into your own home then this is the one to consider! Located in a family friendly established suburb of Bakewell and set in a small court, this home is within minutes to local shopping centres, schools and sporting grounds. Nestled behind the secure aluminium slat privacy fencing and on a spacious 684m² allotment, this home features 4 bedrooms with built-in robes, all centered around the open plan lounge living and a recently upgraded kitchen. Single bathroom includes a large vanity, shower over the corner bath and separate WC. Full length, wide verandahs surround the home - making it perfect for entertaining all year and for shaded kids play, especially during the wet season. Banks of breezy louvre windows also ensure the cooling breezes are captured year-round. The kitchen is definitely the hub of the home with modern, subdued colour palette, stone benchtops and electric appliances. There is loads of storage in the overhead and underbench cupboards, large double door pantry and spacious pot drawers. The kitchen opens out to a side verandah overlooking the fenced inground pool, with established gardens, a feature rock wall and shade sail. To the rear is a separate storage shed built under the roof line as well as the external laundry area. For energy efficiency there is also Solar HWS and 6.5kW Solar panels fitted.
