A very comfortable 2 bedroom home. As you enter into a formal lounge you are greeted with open space and plenty of light filled rooms. The bedrooms are generous in size and offer built ins. The bathroom is compact but extremely clean and in good functional order. The kitchen has plenty of cupboards and bench space for its size and has a beautiful bay window to let in the light whilst you look out over the magnificent gardens that the owners have created. A lovely large picture window in the casual living area invites the outdoors in with a splendid tranquil atmosphere. Cosy up with the slow combustion fire and cooling for the hot summer days. There are numerous sheds within the yard and a carport. Solar hot water. As you wander through this unique garden you will be surprised with the love and attention to areas that the owners have spent many years creating. Nice large block backing onto bushland. A fresh coat of paint and new carpets and this home is ready for you to enjoy for many years to come. For further information please contact Renee Spiteri on 0484 110 242 or 4997 9077.
