Situated in the desirable neighborhood of Landsdale, this exquisite property offers luxurious living with a perfect blend of modern features and thoughtful design. With 5 double bedrooms, 2 bathrooms, a power room, and a range of impressive amenities, this home is tailored for comfort and style.

Key Features:

- Bedrooms:** Five generously sized bedrooms, each equipped with built-in wardrobes featuring sliding glass screens and built-in cabinets for ample storage.
- Bathrooms:** Two well-appointed bathrooms plus a convenient power room. Enjoy the anti-fog and extra light features on bathroom mirrors for added convenience.
- Living Spaces:** High ceilings throughout the house create a spacious and airy atmosphere. Recessed features in the hallway, master bedroom, and living room add a touch of sophistication.
- Climate Control:** Experience year-round comfort with Fujitsu reverse cycle air conditioning with zoning options and ceiling fans in each bedroom. Double glazed windows, including a 10-meter bi-fold door with internal blinds, provide insulation and energy efficiency.
- Lighting:** LED lights are installed throughout the house, with dimming options to create the perfect ambiance. Sensor monitors internally and externally enhance security and convenience.
- Security:** Shockproof security screens adorn all windows, the laundry door, and the front entrance. An 8-camera security system with a recording device and flat-screen monitor ensures peace of mind.
- Energy Efficiency:** Embrace sustainability with 25 solar panels, contributing to energy savings and a reduced environmental footprint.
- Entertainment and Outdoor Living:** An under-croft garage with an office downstairs adds versatility to the property. Step outside to a beautifully landscaped outdoor area featuring a concrete pool with an electric heater. The enclosed alfresco is tiled and includes a built-in BBQ station and sink. Weatherproof blinds allow for year-round enjoyment of the outdoor space.
