2 Malachi Court is ready for a new family to enjoy and create memories. This spacious 4-bedroom, 2-bathroom home offers contemporary living in a serene setting, securely tucked away behind a colorbond fence in a peaceful cul de sac. Built in 2012, this home exudes modern style, with every detail carefully considered for comfort and convenience. As you step inside, you'll be drawn toward a light-filled open-plan living area, seamlessly flowing from the newly updated kitchen to the dining and lounge spaces, perfect for both everyday living and entertaining guests. The newly updated kitchen is a chef's dream, featuring sleek appliances, ample storage, and stylish finishes that will delight any cook. Whether you're whipping up a quick meal or preparing a feast for friends and family, this kitchen provides the perfect backdrop for culinary creativity. Retreat to the separate lounge room for cozy evenings spent with the family or quiet moments of relaxation away from the hustle and bustle of daily life. The spacious bedrooms offer comfort and privacy, with the master bedroom boasting its own ensuite bathroom for added luxury. Outside, the large backyard and front yard provide plenty of space for outdoor activities and gardening, while the lovely outdoor entertainment area is perfect for alfresco dining or simply enjoying the fresh air. The yard is largely a blank canvas so the new owner can landscape to their own design. With a double garage featuring a remote roller door, you'll have plenty of space to securely park your vehicles and store your belongings. There is also extra parking for your boat or caravan. Being just minutes away from all city services including schools, shops, and medical centers, you'll enjoy the convenience of urban living while still being able to retreat to your peaceful haven.
