Dreaming of an easy-care home that lets you focus on what matters most? Or perhaps a house that has plenty of potential for you to update to make it truly yours? This charming low-maintenance property is the answer! Nestled on a generous block, this home offers an expansive outdoor area, inviting you to embrace the joys of outdoor living. Imagine lazy Sunday afternoons spent basking in the sunshine or hosting barbecues with friends and family! Inside, you'll discover a layout designed for effortless living. The updated kitchen and bathroom sparkle with the freshness of new beginnings, while the spacious living areas invite you to unwind and relax. With three bedrooms, including two with built-in robes, there's ample space for everyone to retreat and recharge. Parking is a breeze with the double carport, plus additional storage space for all your essentials. With its low-maintenance design, you can spend less time on upkeep and more time enjoying the lifestyle you deserve.
