Carefully considered, impeccably designed and immaculately kept, this developer's own home is every bit the statement of urban excellence at the top of sought-after Cherry Hill. Flaunting high-end quality and luxury in a functional four-bedroom floorplan featuring four living zones, two north-facing entertaining decks and three deluxe bathrooms, this six-star energy-rated residence successfully delivers family-sized living on a low-maintenance 464m² approx. corner block. Its fashionable two-storey façade paints a picture of style that radiates throughout the superbly crafted interior, which introduces a deluxe guest bedroom (with two-way bathroom) ideal for downsizing buyers. Two alfresco decks that integrate with the separate dining and radiant open-plan living provides greater flexibility when entertaining – something you can do in style with the aid of a showroom kitchen. A master bedroom (with ensuite, WIR and study/makeup nook) shares the private upstairs floorplan with a further two robed bedrooms, relaxed retreat/study with sweeping views and fully tiled family bathroom; engineered 190mm wide French Oak floorboards downstairs, refrigerated ducted heating/cooling, quality carpets, double-glazed windows, alarm/video intercom, security cameras, excellent storage, ducted vacuum and remote double garage are further highlights within short walking distance of The Pines Shopping Centre, city-bound buses and Mullum Mullum Reserve and moments from Westfield Doncaster, schools and the Eastern Freeway.
