\$470,000 - \$490,000

Tucked away in a great location close to Maffra's main street is this solid brick veneer home with great shedding. Ideal as an investment property or the buyer looking for a location close to the main street with only a short walk to the CBD. As neat as a pin with neutral tones throughout, this three bedroom layout flows well with a low maintenance yard. The updated kitchen is central to the floorplan, taking in the northern aspect along with the dining room, and is very functional with its stainless appliances and built in pantry. The lounge captures the afternoon sun and street views and is tempered by the reverse cycle unit. There is an abundance of vehicle accommodation with a single carport at the front, double carport at the rear, plus a three car garage with a covered in lean to. This property is wonderful offering this close to the main street and is a must see inspection.
