A huge opportunity on offer in a fantastic location of Moonta Bay. Only a few minutes' walk to the beautiful beach and jetty. Location and the lifestyle this block offers, just don't come much better. Huge potential to knockdown, subdivide or build the dream. With a little vision and some work this could be turned into your next dream home. A great size corner block with two dwellings, currently comprising of 1 bedroom in the main house with ensuite and two bedrooms, small kitchen and bathroom in the second. The current owners have completed some recent upgrades including painting and flooring and have turned the property into a very comfortable space to enjoy and relax. Bright rooms with a large living space and more than enough room for caravan and boat, this opportunity will not be around for long. The Copper Coast lifestyle is calling and this property couldn't be positioned much more perfectly to take advantage of all that is in offer.
