Beautifully revitalised while allowing the space for your own personal touch, this refreshed 3-bedroom home presents a fantastic option for downsizers or first-time buyers in a quiet, central locale. New carpets and a fresh coat of paint define a vibrant makeover, with a functional separation of space ideal for those looking to truly make it their own. A step up reveals a magnificent layout filled with natural light, showcasing a bay-windowed lounge and a separate kitchen and dining space at the heart of the home. Fisher & Paykel dish drawers and a gas cooker sit within laminate cabinetry, inspiring an easy makeover for the imaginative renovator, with easy alfresco meals made possible with a paved terrace off the dining area. The three robed bedrooms sit at either end of the design, with the master bedroom a private retreat away from the peace of the kid's bedrooms. Complete with ducted heating and a single garage, it sits in one of Carrum Downs' most convenient pockets, a short walk from Banyan Fields Primary, Carrum Downs Secondary, Carrum Downs Shopping Centre, Local Village, and buses, with Sandhurst Club and freeway access a short commute away.
