Relaxing in the English style garden you may easily think the clock has been turned back over 150 years. Situated on an approx. 690m² allotment the beautifully manicured gardens put the finishing touches to this C1860 cottage. Accommodation consists of two bedrooms each having decorative mantle pieces and fireplace. The kitchen & bathroom have been updated tastefully in keeping with its original features throughout. For practical purposes there is a relatively new 54m² garage with extra height clearance & remote-control door. Situated within the heart of Longford the beautifully preserved "Bellamona" is only a short walk to the Village Green, Hill Street Supermarket and other conveniences & services. Over a period of time this property has been well suited for short term accommodation.
