This property is situated in the quiet township of PENTLAND NQ and has the following:. 3 generous sized bedrooms with another separate spacious room on the front verandah that could potentially be another bedroom or an ideal home office space. . Open plan kitchen/dining and lounge room. . Separate toilet and a large shared laundry/bathroom with vanity and shower recess. . Large carport, housing a laundry area at one end and an adjoining double roller door lockup garage with side entry into the carport. . Large freestanding covered (double carport size) steel structure which would make an ideal covered play or entertainment area.. A variety of established fruit trees.This very spacious block with plenty of room for your imagination is situated on the outskirts of the town making for a quiet and peaceful setting.
