With an enviable position offering panoramic views across pristine Lake Wallace, this expansive 10 acre lifestyle property boasts park like gardens and a substantial family home. The home is perfectly set up for entertaining with generous living space throughout coupled with excellent outdoor areas. The floor plan features 4 bedrooms with built-ins including a large master suite with walk-in robe and full size ensuite with spa bath, a new Caesarstone kitchen with 40mm benchtops, island bench, and quality stainless appliances, a sunken lounge room that captures a stunning lake view, along with a dining and second living area. There is a modern main bathroom, convenient internal access from the attached double garage, and the home is climate controlled with ducted air conditioning and a wood burner. Other improvements include: * 11m x 7m American Barn with loft * 110,000 concrete water tank & additional 20,000 gal tank * Wrap around verandahs * Tar sealed driveway * 10 kW solar energy system * 3 paddocks & 1 dam * 2 stables * Bore for garden water. A quality property in a tightly held, desirable location. Inspection by advance appointment.
