Exemplifying stellar contemporary comfort and style, crowned by impressive entertaining credentials, this four bedroom plus study home boasts dual living areas, a brilliant, covered deck, swimming pool and spa. Complemented by a lounge, a quality kitchen, dining and family room forms an elegant and spacious social hub. Pale stone counters meet with a 900mm Fisher & Paykel stove, Bosch dishwasher and handy storage, while a stacker door leads to the beautifully proportioned covered entertainer's deck, ideal for long evenings and relaxed weekends. Heated and salt chlorinated, with their own deck and pergola, the sparkling inground pool and spa promise amazing summers. Four double bedrooms (built-in robes/walk-in robe) include a main with ensuite. Centrally situated, the family bathroom highlights a shower and deep separate bath, plus there's a full laundry. Heating, air conditioning, a driveway and automatic double garage seal the appeal. In the vaunted Strathmore College zone, it's handy to transport, reserves, schools and shops, just a short drive to freeway and CityLink access.
