Welcome to the perfect balance of 'work, rest, play' from a court that lets you walk to number 1 NAPLAN school Wheelers Hill Primary. Set amid easy care gardens, the property swaps out lawn for decorative paving giving you European style outdoor living with enough time to enjoy it. For families wanting space, the home's multiple living areas include a light-filled living room, family area and spectacular sunroom – Scandi style with a pitched timber roof and almost full glass windows to take in the rear garden and its BBQ gazebo. An elegant array of features and finishes promise modern living with a sense of flair, appointed with new Euro kitchen appliances, and a feature gas log fireplace in a granite mantelpiece. The dedicated bedroom wing features 2 full sized bathrooms including a fully tiled ensuite with shower, vanity and its own toilet, and a family bathroom with a bath, second shower and second toilet. There's a real sense of elegance across the entire interior, with decorative paving adding to the allure from this well-positioned address close to schools, shops, parks, transport connections, the M1 freeway to the CBD, Eastlink to the peninsula and a choice of nearby universities including Monash and Deakin Universities.
