\$34,000

Are you looking for a nice quiet block in a lovely rural town where you can bring your caravan or tent and have a weekend away, well this is the block for you. At the rear of the property it has native trees providing shade during the hotter hours of the day and the front is cleared allowing for a house/cabin to be built. The block has rear, front and side access and is located next to the decommissioned school at Woomelang. If you have children great opportunity to go to the old school ground for a kick of football. Nice private street, walking distance to the local General Store and Post Office, Pool and football oval. Contact Trish on 0419977858 or Peter on 0408790604
