\$560,000

Perfectly positioned in a quiet, family friendly neighbourhood of Jackass Flat, is this immaculately presented modern home with three living spaces! Under 10 minutes' drive to Bendigo CBD and located close to shops at either Epsom Village Shopping Centre or Eaglehawk shopping precinct. There's childcare facilities, primary schools, secondary schools, Neangar Park Golf Club all nearby, and a playground and walking track at the end of the street. The spacious floor plan offers three good sized bedrooms, with the master bedroom having a walk-in robe and ensuite featuring an oversized shower, double basin vanity and toilet. The two remaining bedrooms have built in robes and share the second three-piece bathroom. There is a separate toilet nearby. The first of the three living areas is the lounge area, which is located at the front of the home and could double as a separate home office or could easily be converted to a big fourth bedroom if needed. Towards the rear of the home, there is a carpeted rumpus room which is light filled thanks to the two large windows and the third living area is the expansive open plan kitchen/dining/living zone. The well-equipped kitchen comes complete with 900mm oven, dishwasher, walk-in pantry, breakfast bar and a good amount of bench space and cabinetry. A large, tiled meals area lies adjacent, as does the living area. Other internal features are ducted heating and cooling that control comfort levels throughout the home, walk-in linen and a full-sized laundry. For the car accommodation there is a double garage with auto door and secure internal access. Outside, there is an undercover alfresco area which will allow you to entertain guests outdoors all year round, a lawn area for kids and pets to play, a garden shed and easy to manage landscaped gardens. The front yard is also landscaped, and you have the bonus of having recycled water (charged at a cheaper rate) for watering the garden. The home is ideally suited to first home buyers, families, retirees, investors or those seeking a low maintenance lifestyle. Don't delay, call Darren today for more details or to arrange an inspection.
