Welcome to the home you have been looking for. Perched on a level 720m² block and only 100m from the waterfront at Sandstone Point, this 4-bedroom family home will surely please. Lovingly updated throughout you are greeted with an abundance of natural light and neutral tones as you walk through the front door. Two completely separate living and dining areas are complimented with a centrally located hostess kitchen, which allows for access to both areas of the home, making it perfect for entertaining. The kitchen also overlooks the gorgeous inground swimming pool, making it easy to watch the kids on those warm summer days. Heading outside you are spoiled for choice with two alfresco patio areas, whilst the colourbond fencing to the backyard provides privacy for the whole family. The frontage of the home is also fully fenced, allowing the entire yard to be safely accessed by the family dog and kids to play. The main bedroom is located at the rear of the home and is king in size with split system air conditioning. A walk thru robe takes you into the freshly renovated ensuite. Three additional bedrooms all have built in robes and are serviced by the generous main bathroom.
