With the serene shores of Half Moon Bay just a few minutes away, you'll be drawn to the quiet coastal lifestyle on offer when you make the move to Indented Head. Here you'll find a peaceful seaside hamlet with the advantage of easy access to all the Bellarine has to offer including safe beaches, cafes, wineries, golf courses, biking, hiking, diving, swimming, fishing sailing and much more. All of this just a 35-minute drive from Geelong! Featuring four bedrooms and two ample living areas, this modern home is ideally laid out for family living as well as boasting plenty of space for entertaining and when friends and loved ones come to visit. The master bedroom has the luxury of an ensuite which features a double vanity and walk-in wardrobe, while the other three bedrooms feature built-in robes and are serviced by a separate family-sized bathroom. Entertaining is a breeze with spacious open-plan living and dining that opens up onto a protected alfresco area. You'll love cooking in the kitchen, with a stainless steel 900 wide gas cooktop and oven, dishwasher and a large walk-in pantry. The separate lounge / rumpus room provides privacy and versatility, whether you need extra space for visitors or a quiet space to escape and switch off. The 480m² of land is big enough that you don't feel cramped with space for the kids and pets to play, but not so big that you'll be tied up gardening or mowing lawns all weekend. It is also a wide block, with double gates that allow for backyard access and space to securely park a caravan, boat or trailer out of sight. A nature reserve at the end of the court promotes further privacy and will ensure that your peaceful lifestyle has no disruption from adjacent development. It's no secret that the Bellarine is booming and here is your chance to get in at the right time to an immaculate and modern property, in an idyllic location, that is ready to move into, with nothing left to do.
