This 3 bedroom, 1 bathroom property was well loved by its previous owner, and it has plenty to offer! The space and size of this home will surprise you. There are large bedrooms off a wide hallway, a big separate lounge, a dedicated dining room and a spacious kitchen with a walk in pantry. You will find original features throughout, just waiting to be uncovered and restored to their former glory. Other perks to this property include a near new hot water system and fantastic solar system set up with back up batteries! There are 2 garages, a closed in patio and a shed with great access. The home is placed to one side of the corner block with the land fenced to form a house yard and a yard for the shed with plenty of open area. This means an abundance of space for whatever plans you dream up, park vehicles, add more sheds or just enjoy the extra room. Get in touch today and get your offer in!
