Brilliantly designed and built to exacting standards, it features four light filled bedrooms, the stunning main has a large double vanity ensuite and walk-in robe. You will love the home's impeccable white cement render and its interior flows seamlessly under dramatic high raked ceilings and white plantation shutters. The living areas include formal lounge and dining rooms stepping down to a spacious family room and meals alcove. The adjacent kitchen is all class... generous stone benchtops, top shelf electric oven and cook top, pantry, appliance cabinet and wide space for a double door fridge. But that's not all.
