Filled with character and brimming with value-add potential, this quaint two-bedroom cottage is brilliantly positioned for everything Williamstown has to offer. Rent or move-in ready – with plenty of scope for some personal enhancements or modern updates if desired – the home's classic facade opens to a broad lounge with a gas fireplace. Both bedrooms are of generous proportions and feature built-in-robos – one also has a feature fireplace. Further on, the well-equipped kitchen has room for a table and family meals while the bathroom has space for laundry appliances. Stained glass windows are a feature throughout the house. Outside features an original bluestone wall and a covered patio to take care of summertime entertaining, while its easy-to-maintain setting is a space that children and pets can enjoy all year-round. Close to Williamstown Station, Williamstown High and Williamstown Primary School, the beach and Botanic Gardens, plus shopping destinations and eateries within easy reach.
