Don't miss the chance to view this uniquely charming heritage-style clinker-brick home. Discover its secret walled garden with cascading vegetation, ponds, and spacious private outside dining. This home was lovingly built to the highest standard in the 1940s. Period lounge and dining rooms feature authentic hard-wood floors, original architraves, sash windows and open fireplaces with art deco trimmings. Work from home? Have kids? The sizeable block, plus self-contained annex with bathroom, private parking and entry, offers impressive lifestyle flexibility. • Beautiful 3-4 bedroom, 3-bathroom clinker brick home. • Period-styled lounge and dining with open fireplaces. • Modern kitchen, plus self-contained annex building. • Walking distance to Croydon Central and train. This is a rare chance for you to acquire a versatile, strongly built property in a highly sought-after location. It's sure to impress anyone seeking a quieter life whilst being close to the city. Sleep peacefully and wake up to the quiet, gloriously leafy and elevated outlook. This seclusion, however, is wonderfully deceptive, as you're mere walking distance from shops, schools and trains.
