\$840,000 - \$890,000

This brick veneer home sounds like a fantastic opportunity for a family seeking space, convenience and functionality in their new home! The features you've described make it quite appealing:

- 4 bedrooms, all with built-in robes, and 2 bathrooms, including a main bedroom with ensuite, open plan living/dining areas, there's plenty of room for the family to spread out and relax.
- Huge sunroom adds valuable living space and provides an ideal spot for outdoor dining and entertainment.
- Massive kitchen with quality appliances is a dream for anyone who loves to cook. It offers plenty of storage and preparation space for creating delicious meals.
- Located near Thornton Shopping Centre, quality schools, and public transport ensures easy access to essential amenities, making daily life more convenient for the whole family.
- Approx. 660 sqm corner block with the opportunity for side access and potentially a granny flat (subject to council approval) offers flexibility for future expansion or additional living space, providing potential value and versatility.
- Ducted air-conditioning, enhancing comfort year-round.
- The double lock up garage with internal access to the garden provides secure parking and convenient entry to the home. This home seems to offer everything a growing family could need or want, from ample space and modern comforts to convenient amenities and potential for future expansion. It's definitely worth considering for anyone in search of their fabulous new home!
