A sweeping 792sqms (approx.) property with 40m (approx.) frontage gives you room to extend, add a pool or a 2nd dwelling (STCA) in this picture-perfect pocket of Wheelers Hill. The surprisingly spacious single level home welcomes you with a light and bright setting through big picture windows, ensuring lovely garden outlooks from almost every room. Bedrooms occupy the private front end, with light-filled living space drawing you through the lounge, dining and family room – perfectly connected to the wraparound deck through bi-fold doors for resort style freedom. It's a setting that celebrates outdoor living with space to relax and entertain amid private gardens – a flat tree-free yard also suited to unit aspirations (STCA) for investment. With potential to redesign the family room to reinstate the 4th bedroom, the family sized home is perfect for young families wanting a base close to schools, shops, parks and freeway connections including the M1 and Eastlink. Perfectly comfortable to live in while you explore the potential with new ducted heating and evaporative cooling, elegant hardwood floors, central kitchen with appliance cupboard, attic storage and an enclosed double carport. Close enough to walk to Brandon Park Primary, Wheelers Hill Secondary, Lum Reserve and tennis club, and the coming upgrade of Brandon Park Shopping Centre.
