\$197,500

Originally built as part of the Snowtown police Station complex, the home has two bedroom accommodation, the master with built-in robes. The living area is comfortable with air conditioning as well as a slow combustion fire. The adjoining kitchen dining is well appointed with an electric stove and plenty of cupboards. Extras include a large bathroom and a separate laundry. There is a lock up garage and a Brick Cell Block with 2 cells. This is a really interesting property with flexible potential uses.
