My vendors have a commitment that requires this property to be sold! If you're searching for an immaculate 3 bedroom home this should be on the top of your open inspection list. To compliment the 3 bedrooms, the master has an ensuite and large walk in robe plus there are 2 good sized living zones. The spacious kitchen has an enormous butlers pantry and looks out to the well designed alfresco area. Externally there is a double garage and plenty of space to fit a caravan down the side of the house with the well thought out frontage offering plenty of flexibility. The block of land is 782m² and is well established. All this is located within easy walking distance of popular schools. With public transport nice and handy, local shops just down the road and access to the Merri River close by, it would be a great time to consider calling 2 Thomas Place your home!
