Step into modern comfort and versatile living in this newly renovated 4-bed, 3-bath sanctuary nestled in the heart of Bright. Boasting a light and bright granny flat, this residence offers the perfect blend of space for multi-generational living, teenagers seeking independence, or an ideal dual-living setup. The main dwelling features a bright living area opening onto a timber deck. Enjoy the ambience of a wood-burning fireplace and the convenience of split system-air conditioning throughout. Warm timber floors flow into the kitchen, equipped with a walk-in pantry, ample bench and cupboard space, and an adjoining meals area. With three bedrooms, including a master with split system-air conditioning, comfort is paramount. The bathroom offers generous vanity storage, a spacious shower, and a toilet. Outside, discover a sunny courtyard with decked seating amidst low-maintenance gardens, complemented by a grassed front yard shaded by trees. A driveway provides access to the garage at the rear, offering parking for four cars and space for a boat or caravan. Situated just 400 steps from Bright's vibrant center, enjoy easy access to schools, shops, the picturesque Ovens River, and renowned mountain biking trails. Embrace the epitome of modern living in this centrally located, meticulously crafted home.
