**\$530 per week**

In an excellent residential neighbourhood, this impressive, superbly presented, attractive kerbside appeal dwelling is available for rent. The excellent design layout has a spacious living room with heat pump, the kitchen is modern and there is also a great dining space. The practical design includes three good sized bedrooms - two with walk-in robes and the other with a built-in wardrobe, a dual access bathroom from the main bedroom and another separate second toilet. Located on a flat, low maintenance block, it is positioned to capture afternoon sun. Other features are a single car garage with remote control access, solar panels for power and there is plenty of off-street parking. Located between Glenorchy and Claremont shopping precincts, close to schools, transport and within walking distance to Mona. Unfortunately, pets are not permitted.
