Located at the end of a short cul-de-sac and within the Strathmore Secondary College zone, the possibilities for this home are limited only by your imagination and Council approval. Nestled among delightful trees and structured greenery on a sloping block, the outstanding 'bones' of this established home provide an ideal opportunity for renovation and expansion or, with land size of 600m² approx., full development (STCA). Comprises three excellent bedrooms, spacious living room with work-from-home space, family bathroom (bath, shower), bright kitchen/meals area (900mm oven, heaps of storage), separate laundry, separate toilet, external retreat/studio/multi-purpose room and storage space. The side drive offers additional off-street parking and leads to a single car garage. Walking distance to Napier Street Village cafes and shops, bowls and tennis clubs, Strathmore Primary School, parks and trails, local buses and Pascoe Vale Station plus easy access to Citylink. An opportunity not to be missed.
