A stylish home for all seasons this masterbuilt (Young Homes) entertainer leaves nothing to do but move in and begin your West Pennant Hills dream. Immaculately maintained this grand family residence is as functional as it is impressive. The ultimate in family convenience the property is just minutes' walk to the City Express Bus Stop, Kings, and Tara school buses and 2.6km approx. from the Cherrybrook Metro Station. A choice of shopping precincts, easy access to the M2 and NorthConnex and zoning to quality local schools further confirms the supreme position of this address. Ready to accommodate even the largest of families the home offers multiple well-proportioned living zones to allow for both quality time and separate solitude including formal lounge (with fireplace) and dining room plus large rumpus room. Thoughtfully planned for both family life and weekend entertaining, the Caesarstone topped timber kitchen boasts a quality appliance suite, excellent workspace and abundant storage overlooking the casual living and dining spaces, adding daily practicality to busy family life. With sought-after scale the home offers six bedrooms to comfortably accommodate large or extended families. The impressive master suite with ensuite bathroom, walk-in wardrobe and gracious bay window is an adults only retreat whilst the further family bedrooms claim excellent size and are serviced by a renovated bathroom with free-standing bath tub and separate toilet. Ideal for multi-generational families the ground floor offers a separate (6th) double bedroom with full bathroom nearby. From peaceful morning coffees to hosting family and friends, the large covered outdoor area (with heater and ceilings fans) overlooking manicured gardens will be a favourite place to relax or watch children play. The further gazebo and large lawn parcel (ample room for a trampoline and backyard games) complete the 'Australian dream' of carefree summers. Completing the home is a triple automatic garage, ducted air conditioning and abundant storage throughout. An exceptional West Pennant Hills residence, this much-loved property is now ready to welcome a new family who will equally enjoy its many features, exceptional location, and the rare opportunity to live in a Blue-Ribbon pocket.
