Balancing traditional charm with inspired modern updates, this seamlessly renovated home enjoys both leafy serenity and supreme convenience in a quiet pocket of Chatswood, moments to transport, shopping, and popular parklands. Set across a single level, the layout and easy-care garden make the perfect start for young families and a ready to enjoy haven for downsizers. Filled with modern appeal the open plan living and dining area features banks of glass windows and French doors that link to the expansive entertaining deck and bring the garden view inside. The soft dove grey of smooth kitchen cabinetry matches with premium stone benchtops in the integrated kitchen, featuring a wide 5-burner gas range awesome for your culinary masterpieces. Three double bedrooms and two exquisite travertine bathrooms, including an ensuite, deliver amenity with that added touch of luxury. The garden is designed for enjoyment and hospitality rather than toil. Enjoy picket fence charm and flowering shrubs at home or take a leisurely stroll via a pathway into magnificent Muston Park.
