Sitting proudly on an expansive allotment of around 840sqm, this solid four-bedroom residence offers a sensational opportunity for family buyers keen to secure a comfortable and well-appointed home in a prime location. It is freshly presented with a bright single-level floorplan and a great-sized corner block that has dual street frontage. This is a standout property that will bring excellent rewards to those looking for a value-packed offering in a sought-after location that's close to all lifestyle attractions in Hurstville and Beverly Hills. Occupying a spacious and level corner block with dual street access. Generous layout with open living and four good-sized bedrooms. Private front and rear yards featuring outdoor entertainment space. Studio, garage and a disused swimming pool. A quality modern kitchen with premium appliances and island bench. Additional off-street parking plus sun-drenched level lawns and garden. Minutes to major shopping, schools and transport in Hurstville. A brief stroll to Beverly Hills train station, shops and restaurants. Prime duplex development site or potentially two dwellings (subject to council approval)
