Love the poolside lifestyle and family functionality found in this substantial 5 bedroom 3 bathroom freestanding home. Full of afternoon sunshine, this family sized haven features a sunken lounge with gas fireplace, an expansive dining area with bi fold doors for privacy, a beautiful open family area alongside the striking entertainer's kitchen (Ilve 900mm stove), 2 sun splashed separate alfresco decks and a sublime salt chlorinated pool and spa in the low maintenance yet lush rear garden. There's a choice of main bedroom suites on each floor (both with ample robes), 3 further upstairs double bedrooms with built in robes, a fully appointed modern bathroom and a family sized laundry. Jam packed with storage including a mezzanine level space above the double auto garage, this quality home is appointed with modern comforts including ducted heating and reverse cycle air conditioning. In this quintessential Glen Iris pocket, just footsteps to the Ferndale Trail into the glorious park, a short stroll to Burwood station, Leo's Fine Food & Wine Supermarket, the Toorak Road tram and Hartwell Village cafes, while zoned for Hartwell Primary School and Camberwell High School.
