With sensational family highlights and contemporary updates over a dream single level and placed in a brilliant location where you're so close to excellent schools, parklands, shops, and freeway, this 4 bedroom, 2 bathroom residence is the only choice for eager Nunawading property hunters. Eye catching dark timber floors are an arresting design feature of much of the property, including the separate lounge and family/meals zones, both which are serviced by open fireplaces which will make Melbourne winters memorable. Sitting right next to the family/meals area is the sleek newly refurbished kitchen, including quality stainless steel appliances and dishwasher. The versatile master bedroom has entry to an ensuite and could also be transformed into another living zone, meanwhile the 3 other well-sized bedrooms all have easy access to the stunning central rain shower bathroom. An inviting swimming pool at the home's rear will be a refreshing option in summer, with this back area also offering plenty of courtyard space. Further enjoy a laundry, ducted heating, evaporative cooling, shed, and large carport with storage. Zoned for Mullauna Secondary College and Mitcham Primary School, and moments to Mitcham Shopping Centre, Tunstall Square Shopping Centre, Eastlink Trail, Koonung Creek Trail, RE Gray Reserve, buses, and Eastern Freeway.
