One of the most exquisite and breathtaking homes you'll have the pleasure of viewing is this one in a million creek side property. In a most beautiful setting surrounded by the most impressive gardens and natural bush, you'll be at home the moment you enter the property. Marvellous established trees and a view to die for, this sensational Gol Gol property offers seclusion and serenity yet is only a short walk to the Murray and all that the bustling Gol Gol area has to offer including the Gol Gol pub. Entirely renovated, the magnificent home is unique and has a feeling like no other. Large spacious and designed to take in the views of the creek, it offers a warmth and style that is difficult to create. Quirky features including beams from the old Mildura Bridge, timber feature walls, hardwood timber floorboards and panoramic windows add to the individual and brilliance of this renovation. A huge chef's style kitchen with high end finishings and appliances is just another amazing feature of this superb home. A magnificent entertaining zone will host the finest of dinners and the large indoor pool is a winner for the kids. Also features 6.5KW solar, 14m x 6m shed, double carport, town water, raw water and riparian right. Get lost in the amazing gardens, with an array of places to sit, enjoy and just relax. This most incredible half acre in one of Gol Gol's finest locations is a property you need in your life!
