The kitchen boasts ample storage space, slick plywood bench tops, and an island bench, making it a perfect place to gather and create culinary delights. A built-in wine rack is fixed to wonderfully coloured stripped pine boards that give the kitchen space a beautifully creative feel. The rear lounge room opens out to a large paved area, ideal for entertaining. Alternatively this space could be used as a lovely light-filled home office space. The three generously sized bedrooms are havens of relaxation, each showcasing unique touches and plenty of natural light. The shared bathroom is a masterpiece of design, featuring modern fixtures and beautiful finishes throughout. Outside, the property offers a private oasis for both relaxation and entertainment.
