A very affordable opportunity to break into the Sydney market and capitalize on the area's growth. Do not miss your chance to secure this 3 bedroom cottage that is in need of some love and care. Sitting on a good 626m² block, in a very quiet street and in a very central location to the motorways, St Marys centre and the new metro station taking you straight to the new Western Sydney Airport, Western Sydney University and so much more. An opportunity like this does not come around often. The sale price will reflect the properties condition. We are keen to hear your thoughts on it.
