Situated in a quiet cul de sac in one of Nerang's best streets and perfectly positioned to catch the hinterland views this is a home that will impress all your family and friends. The floor plan is one of the best I've seen as the views can be appreciated from every angle in the living area and also from the spacious master bedroom. Living:- Step through the front door and you are greeted with spacious open plan living. The tiled flooring flows all through the house and there are ceiling fans for those hot summer days. Kitchen:- Centrally located at the heart of the house you can cook up a storm whilst keeping an eye on the family and once again taking in those views. Bedrooms:- The house boasts 3 good size bedrooms. The master has a huge ensuite, walk in robe, air conditioning and ceiling fans. Bedrooms 2 and 3 have ceiling fans, built in robes and quality tiled flooring. Outdoors:- The outdoor undercover area is huge and would be the perfect location to host a barbecue for family and friends. There is also a spa to wind down in after a busy day and the yard is fully fenced so its safe for children to run and play. Parking:- Featuring a double lock up garage with remote door to keep those prized possessions safe. The driveway can accommodate 2 vehicles or maybe a caravan/boat. Features:-: Quiet cul de sac location: Stunning hinterland views: Air conditioning: Tiled flooring: Open plan living: Spa: Garden shed: Fully fenced yard: Ceiling fans: Ensuite: Double lock up garage Homes like this are selling super fast so don't delay - visit the open home on Saturday !!
