This executive residence sounds like a dream! Positioned on a generous corner allotment, it has been meticulously designed to blend luxury with functionality. The emphasis on privacy and resort-style living is evident, with features like fountains, ponds, and a lap pool creating a serene atmosphere. The outdoor entertaining areas, including the covered terrace with built-in BBQs and the additional space overlooking the lap pool, sound perfect for hosting gatherings. The seamless transition from indoor to outdoor living adds to the appeal, making it ideal for enjoying the beautiful weather all year round. The kitchen, with its granite benches and butler's pantry, is well-equipped for culinary endeavours, and the direct servery to the outdoor dining area is a thoughtful touch. The spacious master bedroom with its spa ensuite and large walkin robe , along with the other 2 en-suited bedrooms, sounds like a haven for relaxation. Moreover, the practical features such as exceptional storage, large laundry, zoned air-conditioning, and solar power demonstrate a commitment to convenience and sustainability. The location in Noosa Banks, surrounded by parkland and a short walk to the river, offers both tranquillity and accessibility to amenities. Overall, this immaculate home offers spacious interiors, luxurious amenities, and a high-quality finish, making it a compelling option for those seeking upscale living in Tewantin.
