Sun River Chalet's are a complex of 22 individual Chalet's situated on Nanda Drive and just a short stroll to town. With no common walls each Chalet boasts it's own land area and the centre plot is a lovely grassed common area that the Kangaroo's and local wildlife love to meet on. Chalet 20 is a very neat and tidy Chalet that boasts a new roof complete with cyclone tie-downs and a fresh coat of paint. With the addition of not 1 but 2 enclosed garages and a toilet this Chalet has seen some changes to boost storage options with an added extension to the end of 1 garage which is lockable and adds to it's liveability. The brand new kitchen complete with new electric stove and new Air Conditioning add's to the appeal of this unit. This neat unit is ready for it's new owners, it's vacant and will suit the investor or owner/occupier. Pet's are now allowed with the approval of the strata company!!!!
