Discover modern elegance combined with historical charm in this unique property located in the original building of the St. Aidans residential complex. Enjoy breathtaking balcony views that stretch over the expansive lawn gardens and offer a panoramic view of Bendigo city. This is the first residential shell ever sold in the complex, and it has been impeccably designed with a focus on preserving its stunning original features, including 16ft pressed metal ceilings and gleaming hardwood floors. Key features include:- 2 spacious bedrooms, master with luxury ensuite and walk-in robe.- Modern contemporary kitchen featuring stone benchtops.- Living room with soaring high ceilings, a feature wine cellar, and balcony access.- 2 dedicated parking spaces on title, common elevator, function room, pool, and beautifully landscaped gardens. This property is conveniently located within walking distance of Kennington Reservoir, Strathdale shopping, Kennington Village, and native bushland reserves. It offers a truly unique and exceptional living experience.
