Wonderfully located on Putting Rise in the high demand sought after location of the Fairway Green Estate. Located together, this will certainly provide an extra-large area for building your dream home and so much more. But - if you're looking to build on a smaller block you can just purchase one, but better be quick to grab the best one. Either way - both lots provide an excellent buying opportunity for the 'wise buyer' that's looking to invest in a modern progressive side of Northam. Both are Fully serviced, 705m² each, could be minimal site costs with nice views close to the Northam Country Club and only minutes drive to Town centre. At \$95,000 per block, it makes these lots a very desirable purchase for any future investment.
