Offers to Purchase

The current residence comprises an older style home with 3 bedrooms and separate bathroom/laundry. The allotment (approx. 4219m²) on 4 titles, provides the opportunity for building your dream shed, extending the home or exploring the possibilities of further subdivision (subject to local council). The property is serviced by town sewerage and town water. The current house features multiple air conditioners, wood heater and a solar system feeding back to the grid. The house is in need of some love but the benefits this property has to offer is endless. The vendor is open to offers for the whole property or as individual lots.
