**\$520pw / \$2260pcm**

This beautiful light-filled apartment has been recently painted throughout with a refurbished bathroom. The fantastic property features beautiful parquet floors, two bedrooms--both with built-in robes, large living area complete with split system heating and cooling which opens onto generous outdoor balcony area, plus separate, well-appointed kitchen/meals room with more cupboard space than most, carpark for one. Save with lower living costs from LED lighting throughout and high-efficiency electric hot water system. These sought-after apartments rent very quickly and it's no wonder why, located 300m (approx.) to Williamstown's prized Waterfront/The Strand, stroll to foreshore walkways, moments to busy Ferguson Street and Central Williamstown shops and cafes. Walk to North Williamstown rail station for easy commute to work or school.
