New to Market

**** All inspections commence at the Open Homes this Saturday, 18th May @ 11:00 - 11:30am & 3:00 - 3:30pm ****This beautifully renovated and spacious residence is now ready to welcome you this weekend. This stunning, large 5 bedroom family home offers a well-designed, lowset floorplan in the upmarket, parkland estate of "Windaroo on the Park". There would be nothing better than relaxing on the front deck after a hard day's work, as the filtered light and shadows stream across the adjacent parkland. This low-maintenance residence is now offering:

- 5 oversized bedrooms + walk in robe and ensuite off the master bedroom
- Spacious lounge room + study nook on entry, informal dining and family room
- Rumpus/media room at the rear overlooking the pool
- Large kitchen with quality stainless steel appliances and long brekky bar
- Good size alfresco L-shape patio area overlooking the sparkling saltwater pool
- Front deck lounge area overlooking parkland at front
- Air-conditioned and ceiling fans throughout
- Solar panels for power and hot water
- Automatic double garage + extra 3 car parking at front or caravan parking to side + extra front yard

Watch the kids splash around in the pool from the kitchen, family, dining or rumpus room. This home's floorplan also gives the family good separation and space between the front and back of the house allowing parents to retreat to their space and the kids to utilise the back. This magnificent property will not disappoint so I hope to see you at the open homes this weekend, as this is your opportunity to secure this fantastic location. 5 minute walk to schools, shops, public transport and a short drive to Woolworths Bannockburn, the M1 or a buggy ride to the Windaroo Lakes Golfclub.
