This stunning, low-set brick home offers both practicality and functionality. The gardens, both front and back, frame the house beautifully but also provide a large amount of privacy and shade to the meticulously manicured lawns. Property features include:

- Master with ensuite and WIR
- Additional 3 bedrooms with air conditioning
- 2 spacious living areas with split-system air-conditioning
- Freshly painted interior and driveway/paths
- 2 and a half bay shed (6m x 8 m) with 2 roller doors, a personal door, and a side awning
- Outdoor patio with bar perfect for afternoon beverages or those late Friday nights with friends
- Side access to the shed, room for a boat or trailer
- Internal access off the lounge room to the single-car garage
- Modern bathroom and separate toilet
- Security screens on all windows and doors
- Ample storage with three linen cupboards
