There's a romantic appeal about this picturesque four bedroom two bathroom Victorian home on a 766m² (approx.) allotment zoned to Northcote High. The ideal family sanctuary with its manicured garden setting and iron lacework trimmed façade, this big-hearted home with ROW access on two sides and an extra-large backyard including alfresco entertaining, offers plenty of space for families to live and grow near Johnson Park, schools, Northcote Plaza and fashionable High Street. A double-fronted beauty with high ornate ceilings and open fireplaces in spacious bedrooms with custom cabinetry, one with a luminous Velux window, share spacious, modern bathrooms, the master with an ensuite. Open plan living is a lavish affair. Polished hardwood floors gleam and a shaker style island kitchen sparkles with its stone counters, WIP and 1200mm Smeg range featuring dual ovens, gas/induction cooking and Teppanyaki grill. Extensive glazing opens to a full width deck for seamless entertaining and the landscaped gardens offer ROW access if desired. With heating/cooling, solar panels, alarm and an automatic gate to a double garage with a smart storage system including bike racks, attic storage, OSP and 10,000 litre underground water tanks, inspection will impress.
