A wonderful place to live 24/7 like you're on holidays 365 days of the year, or a terrific place to come as often as you can, to escape the city and be by the beach, where you can also earn a return when you're not here, helping to cover your holding costs and off set your tax, where you don't have to worry about maintaining the grounds and pool or spending your precious time off doing house and yard work. Deliciously close to the pool, you can keep an eye on your kids or grandchildren, without even leaving home, from either of your spacious covered decks, all the while enjoying the cool summer sea breezes and wonderful warm winter sun, thanks to the North-East aspect and terrific orientation of the home.
