20 Boorook Street

An ideal family home with a large back yard and lock up double garage. The house consists of an open plan kitchen, lounge and dining room, 3 bedrooms plus granny flat with built ins, study, bathroom with shower, vanity and toilet, air conditioning as well as a wood heater.

The semi self-contained granny flat/sleepout has its own shower and access to the outdoor toilet, ideal for a teenager to have their own space.

A large undercover BBQ and entertaining area connects the house and the sleepout.

This property is well worth an inspection.
